Re: A logo for the Reedley Parks and Recreation Foundation

The Reedley Parks and Recreation Foundation is a non-profit corporation formed for the purpose of supporting Reedley's recreational activities through the development and maintenance of various sports and recreational facilities. Our Foundation works alongside our city's Parks and Recreation department in fulfilling our mission.

The Foundation would like to create a logo which graphically depicts our mission. To that end, we are asking your help. The Foundation is announcing a contest open to residents of all ages in the Reedley area. We are asking interested Reedley area residents to create and submit a logo for the Foundation. The winning submission will receive a prize of \$100. We anticipate that for many years to come the winning entry will express in artistic form the Reedley Parks and Recreation Foundation.

Here are some guidelines to follow:

- Submissions should aim to depict Parks and Recreation activities in Reedley
- Submissions can be created in a digital jpeg file or by hard copy
- Submissions should be received at the Reedley Community Center by July 23, 2010.

We look forward to receiving many submissions. The Foundation's plan is to announce a winner of this contest in August, 2010.

Sincerely,

Stephen Penner
