This agreement is for a six-week employment period beginning Monday, June 16, 2014 and ending on July 24, 2014.

Under the terms of this agreement, the Boys & Girls Clubs of Fresno County agrees to do the following:

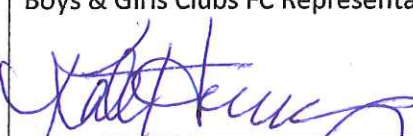

1. Provide a paid worker to the worksite for 20 hours each week for six weeks.
2. B&GC will cover ALL costs including: wages, worker compensation insurance, payroll processing and taxes.

4. Workers are provided with a work uniform, appropriate to most work places.
5. With permission from the worksite, the business will be promoted in all media releases as part of this project, benefiting the Fresno community.

Under the terms of this agreement, the worksite agrees to do the following:

1. Provide a brief written job description of the work to be performed by the Worker. Worker will receive five (5) hours of work on each of four (4) days from Monday to Thursday per week for a total of 20 hours at the worksite during the six week period. The worksite understands that each Friday during the Jobs Program the Worker will report to a B&GC Training and Development site for ongoing instruction and career training. A Saturday or Sunday workday may be negotiated as needed between B&GC, the worksite, and the youth employee.
2. Provide work that is productive, engaging, and adequate to keep the Worker busy during working hours. Any change in the job assignment must be reported to B&GC coordinator.
3. Provide any work readiness training, and any guidance or counseling regarding the Worker's conduct, attendance and job performance, and report all matters concerning performance to B&GC. All absences, tardiness, improper work habits, and attitudes that affect the work environment, will be reported to B&GC.
4. Provide a schedule of the work hours during which the Worker is expected to be at the job. B&GC should be notified of any change in this schedule, whether requested by the Worksite or by the Worker.

5. Guarantee that an onsite supervisor is available during all working hours, including weekend hours, if applicable.
6. Require that each Worker complete a Timesheet and have a supervisor review and verify the hours worked on their Timesheet prior to it being faxed over and hours paid by B&GC.
7. Provide safe working conditions and provide all mandatory safety training. The Worksite is required to supply B&GC with verification that appropriate safety training has been provided.
8. Ensure that the Worker does not operate a motor vehicle or work at different sites without the advance written consent of B&GC.
9. The Worksite is to notify B&GC within 24 hours of any accidents, special situations or unusual occurrences. If a Worker is injured or becomes ill, the Worksite must provide first aid and medical attention and notify B&GC immediately, no matter how minor the injury.
