Rental Rate and Insurance Requirements for Use of Public Facilities

Citizens of Reedley are invited to enjoy the City of Reedley public facilities. Reservations for most facilities are available up to one year in advance. Wherever deposits are required, the Community Services Director is authorized to require additional deposits in excess of those stated, if warranted, based on past experience. The amount of the deposit shall be at the sole discretion of the Community Services Director. The Community Services Director shall determine the number of personnel to be assigned and the Chief of Police shall determine the number of security guards to be assigned for each scheduled use.

A **\$400 deposit** is required whenever an Application for Community Center Use is turned in. This is refundable (less a \$58 processing fee) if the event is canceled more than 90 days before the event date; non-refundable if less than 90 days before the event. All fees are due 90 days prior to the activity date and are not refundable if canceled less than 90 days before the event.

Security guards are required whenever there is a dance and/or alcohol is being served or sold. In addition, each Application for Community Center Use is reviewed by the Police Department. At the discretion of the Police Department, security guards may be required for other functions as well.

The following is a brief description of what is available, requirements for use and the fees associated with their use.
