7. The conduct of any parade will not substantially interrupt the safe and orderly movement of other traffic contiguous to its route, will not require the diversion of so great a number of police services as to prevent normal police protection to the city, will not interfere with the movement of firefighting or ambulance equipment, and the conduct of such a parade is not reasonably likely to cause injury to persons or property, provoke disorderly conduct or create a disturbance.
8. Applicants must provide a drawing/detailed map to include area to be used, entry and exits (if closed), set up structures and parade routes to include assembly points at the beginning and end. (i.e., bleachers, barricades, fences, display concessions, etc.).

11. At the discretion of the Special Events Coordinator, a meeting between the event holder and city staff may be scheduled. Staff will take into consideration your availability, and if possible, schedule the meeting at a convenient time for you. This joint meeting will be used to find out in more detail about your event and how the city and the event holder can work together to minimize staff time and supplies to keep the costs down.
12. The Special Events Committee will require the applicant to compensate the City for any incidental costs (i.e., supplies, utilities, coordination, monitoring, increased police and fire protection or other staff costs). Some events may qualify for reduced fees. Please ask Special Events Coordinator for details. **An invoice with the estimate of expenses will be prepared. All fees must be paid within 10 days after the last day of the event.** Within 30 days after the last day of your event, a final invoice will be sent. Any underpayment will be due within 30 days; any overpayment will be refunded within 30 days.
13. If the event has vendors without annual City of Reedley business licenses, a one day Vendor Permit is required from each. It is the responsibility of the event holder to distribute the application (included in this packet) and to collect all applications and fees. These can either be turned into the Community Services or Administrative Services offices.

14. Groups requesting a non-profit classification must provide proof of non-profit status.
15. A Special Event Permit will be issued to you. Please keep it, along with this completed application, and the receipt of payment with you during the event. This is important in the case there are any issues that come up during your event.
