Welcome to friendly Reedley, California! Named after wheat baron Thomas Law Reed, Reedley is known as “The World’s Fruit Basket” because more fresh fruit is grown and shipped from here than any other place in the world. With the Kings River flowing through its center, Reedley is a vibrant and sophisticated city and is a popular stop for both national and international tourists visiting Kings Canyon and Sequoia National Parks.

With a blend of quiet residential neighborhoods, bustling commerce, award-winning educational institutions, unique cultural events, active civic clubs, a plethora of religious organizations and exciting recreational opportunities, Reedley is a unique place to live, work, study, visit, and play.

So whether you are a long-time resident, passing through, or considering a move to town, Reedley has something to offer everyone.

With a population of 26,390 residents, Reedley is the third largest city in Fresno County and the 295th largest city in California (United Census Bureau, 2018).

Reedley was named for T.L. Reed, a Civil War hero and 19th century farmer who settled here to provide wheat for Gold Rush miners. He built the town’s first hotel, livery stable and blacksmith shop. He donated land for the areas first railroad station site and school; he helped build the first church, and lobbied to build a dam on the Kings River. A granite monument stands in his honor at Reed and Manning Avenues.

Ethnic and religious diversity have been a source of great pride in this city for more than a century.

The opening scene in the 1989 movie “Roadhouse,” starring Patrick Swayze was filmed in Reedley.

Chief Jerry Isaak
For hundreds of years before the arrival of white settlers, the San Joaquin Valley was home to a group of Native Americans known as the Yokuts. The Yokuts were a peaceful group, who lived along the Kings River in villages where they hunted and fished for food.

The first white settlement, in the area that we now call Reedley, was established by the James Smith family in 1855. The Smiths operated a ferry service and hotel on the east bank of the Kings River, near today’s Olson Avenue Bridge, until 1874.

In 1884, ten years after the ferry and hotel closed, a Civil War veteran from Ohio named Thomas Law Reed, arrived with his family from Yolo County to farm wheat. Mr. Reed was encouraged to move to the Reedley area by the 76 Land and Water Company. He was impressed by the possibilities of irrigation and purchased land from the company. Soon he was farming 12,000 acres between the Kings River and Smith Mountain.

In 1888, the Southern Pacific Railroad built a branch line through the area. Mr. Reed donated the land for the station and town. The railroad named the town “Reedley” in honor of Mr. Reed.

The rich land was dry a good part of the year, but the river made irrigation possible and soon canals from higher up the river made grape growing and tree fruit farming not only possible, but very profitable. Settlement increased, orchards and vineyards flourished and, as more irrigation water became available, the people came from all parts of the world.

At first farmers in Reedley grew wheat, but about 1890 vineyards and orchards began taking over. Eventually, Reedley became known as “The Worlds Fruit Basket”.

In 1913, twenty-five years after the town’s founding, Reedley was incorporated. Today, Reedley is Fresno County’s third largest city with a population of 26,390 – all because of the vision of one early day pioneer.
Nestled just below the Sierra Nevada foothills, Reedley provides a gateway into the incredible beauty of the mountainous landscape of the Eastern skyline. Reedley’s location allows residents an active recreational lifestyle of a vast array of interests enhanced by proximity and the accompanied climate that allows for many year-round outdoor activities.

KINGS CANYON UNIFIED SCHOOL DISTRICT (Public K-12)

Kings Canyon Unified School District provides a broad spectrum of educational programs and co-curricular activities for students so that they may attain their highest potential.

The district serves nearly 10,000 students in preschool through 12th grade at 22 campuses. School configurations include K-5, K-8, 6-8 and 9-12. KCUSD is geographically one of the largest school districts in California covering nearly 600 square miles. District boundaries include the cities of Reedley, Orange Cove and the foothill and mountain communities of Squaw Valley, Dunlap and Miramonte. KCUSD is one of the largest employers in the area with approximately 1,100 staff members.

KCUSD offers a robust selection of programs including preschool, adult, alternative, migrant, vocational, and special education. In addition to our traditional high schools, KCUSD has one of the few middle college high schools in California. An online academy for high school students is also offered to meet a broad spectrum of student needs. KCUSD students have met and/or exceeded the state averages in all six components on the California State Dashboard.

KCUSD serves nearly 10,000 students in the communities of Reedley, Orange Cove, Dunlap, Miramonte and the surrounding areas.

KCUSD is one of only 373 school districts in the U.S. and Canada honored by the College Board with placement on the 9th Annual AP® District Honor Roll.

KCUSD was one of three school districts recognized by the California Department of Education for continued growth on state test scores in math and English language arts.

Reedley High School, the largest high school in KCUSD, offers a robust educational experience offering 13 Advanced Placement classes, 14 career pathways and 13 dual enrollment classes.

RHS offers a wide array of athletic opportunities including 24 sports programs with nearly 800 student athletes. During academic year 2017-18, RHS varsity teams claimed 12 league championships and the boys’ varsity soccer team earned the DII Valley Championship.

KCUSD is proud of our strong performing arts program which includes the RHS marching band, one of the largest high school marching bands in the area with nearly 300 members.

Reedley Middle College High School is one of the few middle college high schools in California, offering students the opportunity to concurrently earn college and high school credit.

Collectively, the FFA programs at RHS and RMCHS include 553 students. Our FFA teams consistently win state championships and compete in national competitions.

In partnership with Adventist Health, KCUSD houses a school-based health clinic to educate and serve the health needs of our students, families and the community.

KCUSD is the largest employer in the Reedley community with more than 1,100 employees.

St. La Salle School
(Private K-8)

St. La Salle, a Catholic school founded by the Christian Brothers, provides a Christ-centered education in which children may grow in relationship with and respect for God, self, others and the environment.

The school fosters a student-centered educational environment. They believe education means teaching the whole person. Each student is led to develop spiritually, morally, socially, emotionally, intellectually, and physically in a spirit of faith, hope and love.

Students are called to be active member in building a community of faith through participation in prayer, liturgies, sacraments, daily catechesis and service.

St. La Salle Facts

St. La Salle School believes that community is the heart of Christian education, not simply as a concept to be taught but as reality to be lived. The religious education of the children is not perceived as the responsibility of the school solely, but of the faith community at large.

Inspired by your pure potential.

We are on this earth for a reason. So much is possible: the things you will achieve, the good you will do, the lives you will touch. You can leave the world a better place. While the love you were born with grows. You, and everyone who’s at a beginning, inspire us to do more than practice medicine. You inspire us to transform lives.

"KCUSD gave me a great foundation for my BS degree at Fresno State and success in our family business. Three generations of Reedley High graduates make me proud, my mom Nighel Scroggins (1948), myself (1980) and my son, Sam (2010). I am grateful to have grown up and now work in the Reedley community."

Robert Huebert, President - Lee’s Service
Attended: Lincoln Elementary School, General Grant Middle School, Reedley High School

"As a student, KCUSD helped me realize my potential as a future educator. It is an honor to now work for this district where I can pay it forward by helping our students realize their potential as well."

Oscar Villaseñor, Principal - McCord Elementary School
Attended: Sheridan Elementary School, McCord Elementary School, Citrus Middle School and Reedley High School

"The teachers at KCUSD schools gave me a voice-- they taught me that my ideas have value, which is an incredibly powerful experience as a young adult."

Emma Rogers, Assistant Professor of English - Diablo Valley College
Attended: Riverview School, Reedley High School

"My experience as a KCUSD student has shaped my work ethic and most importantly given me necessary attributes I now use in college. I feel grateful and privileged for the opportunities and resources my district had available for all students."

Vanessa Barragan, President’s Scholar - California State University, Fullerton
Attended: Silas Bartsch School, Reedley High School

"KCUSD’s mission is to provide a broad spectrum of educational programs and co-curricular activities for all students so that they may attain their highest potential.”
