## Community Meetings Regarding FAITH House

### What is FAITH House?

FAITH House is a proposed non-profit operation to provide temporary assistance to families in need who would otherwise be left homeless due to an emergency, tragedy, job loss, or other such circumstance. The proposed location (1697 W Huntsman Ave) previously served as the Marjorie Mason Center from 2003-2016.

### Who is proposing to operate FAITH House?

FAITH House is proposed to be operated by Hope Now Ministries, currently operating under the 501(c)3 non-profit of Reedley Heritage Church of God.

### How would temporary tenants be identified?

Tenants would be identified through an application process that includes a background check and vetting through the Reedley Police Department, to ensure both the safety of those within the facility and the community.

### Who would the facility serve?

The facility is intended to provide assistance to families who need temporary housing due to an emergency, tragedy, job loss, etc. It is NOT a half-way house, a drug rehab facility, an offender release facility, or an open homeless shelter.

### How is the City of Reedley part of this program?

The City of Reedley owns the facility in which Hope Now Ministries is seeking to operate FAITH House. In accordance with the requirements of the grant intended to fund the operation, the City of Reedley is the grant applicant, with the operator as co-applicant.

### What representatives will be in attendance to answer questions at the meetings?

The Reedley City Manager, Chief of Police and the Community Development Director will be present to field questions. Representatives from Hope Now Ministries will also be in attendance to discuss their business plan.
